

# ***"THE QUEST OF THE GHOST PIRATES"***

**APPLE HARVEST 2018 – The 40<sup>th</sup> Anniversary Camporee**

## **Boy Scout/Crew Event Sign-up Information**

**Apple Harvest 2018** will take place at Pleasant Grove **October 12-14, 2018**. In conjunction with the **40<sup>th</sup> Anniversary**, the Camporee Committee will be bringing back events that the camporee has not seen in many years. All of these events will be scored and will contribute to the **Best Overall Patrol Competition**. Additional changes have also been made this year to allow Troops and Packs to have more input into the Camporee.

**The Camporee Committee will provide the following opportunities for Boy Scouts/Crews this year:**

- Patrol Check-in Inspection
- Patrol Pioneering Competition
- Troop Gateway Competition
- Shooting and Throwing Sports
- Cooking Competitions
- Patrol Cannon Firing Competitions

### **NEW BOY SCOUT/CREW EVENT PROCEDURES**

- **Each Troop/Crew** will now be asked to sponsor one of the camporee event competitions. We want each troop to be creative in how they plan for their event- trying to incorporate the theme if possible.
- **Small Troops/Crews** can join forces to plan and run an event. The Camporee Committee can help make connections if needed.
- **Each Troop(s)/Crews will go to the following page to select their event. First Come-First Serve.**

**<http://signup.com/go/GHvoDAj>**

- **Only one person from the troop(s)/Crew should access the sign-up portal.**
- **There are standard skill events that we have at most camporee's, but there are also "Wild Card" slots where a Troop/Crew can come up with their own event- with camporee approval.**
- Each Troop/Crew will need to make plans to get all of the items needed for their event station to the camporee. You can drop any items off at the event station before Friday October 12 at 4pm. There will also be camporee staff available to help move event equipment as needed.
- Sign-ups will need to be completed by **September 28**- the same day registration closes.
