YES

How will you ensure participant safety?

Face Masks—required for all participants except during outside exercise or physical activity of a non-household member. Otherwise, wear a mask!

Physical Distance— all participants must maintain at least 6 feet space between each other **always!**

Sanitizing— Increase frequency of hand washing and sanitizing of hands and all shared equipment.

Transportation— Encourage family/household members to travel together. If traveling, check other state's requirements.

Camping— Individual tents for non-family/household members. Day use and overnight camping available at Camp Shenandoah for units or families. Visit www.campshenandoah.org.

Food— All food must be prepared and shared only among immediate family/household members.

All participants MUST fill out and submit our Covid-19 Guide and Release form for all in-person meetings and activities.

Can you implement and follow these health and safety measures?

YES

Hold the activity if you and your participants feel comfortable and safe and will follow these guidelines.
