FROM YOUR COUNCIL PRESIDENT.....

I hope you are all enjoying your Holiday Season. I am honored to be assuming the position of Council President. I have big shoes to fill. The past president, Pete Fenlon, did such a great job during a very difficult time. He has well represented our Council and provided valuable service to our youth. Join me in thanking Peter for a job well-done.

The past couple of years have tried the souls of us all. A very difficult year for Scouting is coming to an end. We are hopefully emerging from the cloud that has been over us and heading toward open sky and sunshine. To make that hope a reality we need to put in some hard work. I am asking each of you to step-up and make 2022 a milestone on the restoration of Scouting in the Virginia Headwaters Council. It was thrilling to see Scouts in local parades, helping distribute items at UVA football games and appear on local news. We

need to make our Scouts and Scouting activities more visible to the general public so youth of our community can see the fun that can be had. We have to overcome the negative images that have been associated with Scouting. We are making progress.

It is our task to present the best of Scouting and make the program available to all youth. Former BSA President, Rex Tillerson, used to tell us that we need to focus the "Main Thing" and the "Main Thing" is membership. Bottom-line: we need more youth to sustain Scouting. Period. We need to recruit more youth. We especially need to recruit more Cub Scouts. Once we recruit them, we need to hang on to them by providing solid leadership, an interesting and exciting program, and promoting advancement in the various ranks. Either we recruit or we fade away and I don't know a Scouter or Scouting parent that wants that to occur.

We also need to restore our financial stability. The Covid Pandemic effect was not kind to any of us and it really took a financial toll on our Council. When we had to shut down summer camp in 2020, we lost a significant portion of the money used to run Scouting in our Council. Like any organization we have recurring bills and expenses to be paid to keep the doors open. We are still experiencing the financial impact of camp closure and reduced membership. So, in the upcoming year, consider making a Friends of Scouting donation that reflects the value you attach to this program. Give more than you did last year. Let's invest in Scouting. We know the returns on that investment; excited Cub Scouts racing their boats in a rain gutter regatta, Scouts BSA walking the trails of Camp Shenandoah, Venture Scouts climbing rocks and white water rafting. All of them learning leadership skills and values that will carry throughout their life.

We have a great opportunity to make Scouting strong and vibrant. Step-up to the challenge. Let's make 2022 a memorable year. For our Council. For our kids.

Happy Holidays to you all. Thank you for what you do for Scouting.

Steve Hammond, Council President

Rise to the Challenge in 2022

Hello Scouts and Scouters and Happy New Year and welcome to the 2022 Scouting year. We have a great year in store for you and cannot wait to hit the trail for Scouting.

2022 will present us with many challenges and opportunities. The ongoing health crisis will not slow us down as it did in 2020 and 2021. We will continue to operate safely in our units and in our communities. The National Bankruptcy should be behind us sometime in June. All of these factors point to a new beginning and a strong surge forward.

Our game plan will be challenging but I know we have a strong executive board, volunteers and a council team that will rise to the challenge. As a council our plan includes recruiting 600 youth, 150 of which will be female cub scouts and Scouts BSA girls, starting 8 healthy units, having over 50 % participation in the council FOS campaign, having 1500 youth come home to Camp Shenandoah this summer.

Scouting is alive and well and poised for resurgence in 2022.

Please join me and the rest of the team as we Rise to the Challenge in 2022!

Jim Battaglia, Scout Executive

Happy New Year!!!

A few months ago, at camp, a friend and I were talking about our favorite topic, Scouting. During the conversation it was suggested we should recognize

people more often. The intent was not just the big over achievers, but rather the people who are always there in the background. Here is my attempt to do just that.

If you let your child join Scouts, thank you.

If you drive your Scout or another to an event, thank you.

If you stay and stand in the back of a meeting and just watch, thank you.

If you ever gave money to Friends of Scouting, thank you.

If you ever filled out an application and joined Scouting, thank you.

If you ever offered to help with anything to make it easier for your Troop to operate, thank you.

If you have ever put on the uniform, thank you.

If you completed your Youth Protection Training and position specific training, thank you.

If you have ever gave your time to Scouting when you had something better to do with your time, thank you.

If you have ever helped in any small way with a Scouting event for the youth, like Camp, Klondike or Apple Harvest, thank you.

If you ever helped at a District, Council or National level, thank you.

If you have ever come home from a Scouting event exhausted, discouraged and ready to throw in the towel, thank you.

You are Scouting. I don't know your name, but I recognize your face everywhere I go. It is because of you that my two children and countless others have been given the best possible opportunity in this world. If I could create an Award or Knot a personally award it to you. I would. Please come to the Winter Awards banquet and I will thank you in person.

Thank you.

Joe Reisinger, Council Commissioner

EAGLE SCOUT'S THE HIGHEST RANK IN SCOUTING, BUT IT'S NOT THE END OF THE ROAD.

An Eagle Scout who earns five merit badges beyond the minimum amount (and meets other requirements, see below) will receive a Bronze Palm. The Eagle will get a Gold Palm for 10 extra merit badges and a Silver Palm for 15. He/She can wear multiple palms if the Eagle gets to 20, 25, 30, etc.

Originally there were two places the Eagle could wear these palms: on the ribbon of the Eagle medal and on the Eagle square knot, which is only worn by adults.

Now there's a third.

After the Awards and Insignia Committee's approval in January 2014, Eagle Scouts may now wear palms directly on the Eagle Scout badge itself.

That means the three approved methods for wearing Eagle palms are:

1. On the Eagle Scout square knot, which is worn by adult Scouters.
2. Attached to the ribbon of the Eagle Scout medal, which is worn on special occasions by youth and adults.
3. On the Eagle Scout rank emblem (patch), which is sewn on the youth field uniform.

As for where to attach the palms on the badge itself, the committee made no specific stipulations, so anywhere is fine. Perhaps somewhere in the red, white and blue field behind the eagle would allow the palm or palms to be seen better.

Other Requirements:

After becoming an Eagle Scout and receiving the Eagle Palms you are entitled to, you may earn additional Palms by completing the following requirements:

1. Be active in the Boy Scouts of America for at least three months after becoming an Eagle Scout or after the last Palm was earned.
2. Since earning the Eagle Scout rank or your last Eagle Palm, demonstrate Scout spirit by living the Scout Oath and Scout Law. Tell how you have done your duty to God and how you have lived the Scout Oath and Scout Law in your everyday life.
3. Continue to set a satisfactory example of accepting responsibility or demonstrating leadership ability.
4. Earn five additional merit badges beyond those required for Eagle or last Palm
5. While an Eagle Scout, participate in a Scoutmaster conference.

Firm Bound In Brotherhood

A message from Shenandoah Lodge 258, Order of the Arrow...

Welcome to 2022 from Shenandoah Lodge! Every year is a new beginning and we can't wait to see how the Lodge grows with your continued support.

Camping Promotion & Unit Election (CPUE) season is about to kick-off. We have made a few changes to the process in accordance with new guidelines from the Order, here's what it means for you!

UNIT LEADERS - you will receive auto-generated emails from LodgeMaster, starting 3 January, to schedule unit elections. (The emails will continue until the election is scheduled.) You will follow the link and provide preferred dates for your unit visit. If there is a team available on that day, we will confirm the date. Any additional date coordination will occur directly with the CPUE team. We need your help filling out the form with all of the information on the eligible Scouts. Without this information up front, it will delay the processing and require more back-and-forth.

Our CPUE teams will conduct unit visits between 10 January-1 April 2022. No elections will held after this date. Elections can be completed virtually or in-person.

Election results will be shared the night of the elections as there are no scheduled call-outs. VAHC Districts may choose to host a call out event after all District elections have been completed. (The call outs can be incorporated into existing District events,

or as a standalone event.)

ADULT NOMINATIONS - if a unit elects youth, the unit may nominate adult(s). Following the unit election information being recorded in LodgeMaster, the unit leader will receive an email providing an opportunity to submit adults. Unit leaders, please fill out the form in its entirety.

ORDEAL OPPORTUNITIES - there will be two Ordeal opportunities for your Scouts: 3-5 June and 12-14 August.

COLLEGE OF COMMISSIONER SCIENCE

Our council is partnering with other Virginia councils once again to put on a College of Commissioner Science on February 12, 2022 at the Heart of Virginia Council Leadership Center. This is a yearly training opportunity where you can attend up to seven training sessions on a variety of topics. Most of them are related to Commissioner service, but these classes are beneficial to Scouters of all levels. Whether you are a new Commissioner, a seasoned one, or just want to know what these Commissioner folks are supposed to be doing, we hope to see you in February.

OUTDOOR ETHICS UPDATE

BSA Outdoor Ethics Virtual Roundtables: Join the Outdoor Ethics Community on the second Tuesday of each month, for the National Outdoor Ethics and Conservation Subcommittee's virtual roundtable for anyone interested in topics relating to Outdoor Ethics. Information on upcoming topics and registration information can be found here: <http://outdoorethics-bsa.org/training/VirtualRoundtables.php>

Leave No Trace Trainer Course

Coming 1-3 April 2022: Leave No Trace is integrated into every Scouting Program, every Pack, Troop, Team, Crew, and Ship should have a Leave No Trace Trainer. Participants learn Leave No Trace principles, skills, and ethics through a combination of presentation, discussion, and hands-on activities. They learn and practice techniques for teaching these concepts. Those completing the course will be BSA Leave No Trace Trainers, recognized by the Leave No Trace Center for Outdoor Ethics. This course is for any BSA registered Adult or Youth age 14 & older who will teach Leave No Trace to others. The course is highly recommended for members of the Council's outdoor skills training teams who teach IOLS, BALOO, and Leader Specific Training. It is also ideal for Scouts holding the Outdoor Ethics Guide position of responsibility as well as Camp Staff.

National Youth Leadership Training (NYLT)
July 31—August 6, 2022
Camp Shenandoah—Registration is Open

NYLT is an exciting, action-packed program designed for councils to provide youth members with leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others.

For many years, junior leader training (JLT) was an important part of the leadership training continuum of BSA local councils throughout America. In 2003 and 2004, a task force of leadership experts and hundreds of Scouts in pilot courses across the nation reviewed and tested every aspect of the new NYLT syllabus, which incorporates the latest leadership ideas and presents fresh, vital and meaningful training for today's Scouts.

The NYLT course centers around the concepts of what a leader must BE, what a leader must KNOW, and what a leader must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster.

Built on the legacy of past JLT successes, the new NYLT integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Through activities, presentations, challenges, discussions, and audio-visual

support, NYLT participants will be engaged in a unified approach to leadership that will give them the skill and confidence to lead well. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.

REMINDER —

PER THE VAHC BY-LAWS YOUR YOUTH PROTECTION MUST BE RENEWED EVERY YEAR.

Internet Recharter 2.0

Every year units renew their charter agreement with their Chartering Organization and the Boy Scouts of America. Recently, the system has been updated to increase speed and simplicity for completion. This new system enables leaders to safely load Youth Protection Certificates, CBC Disclosure Authorizations, Adult and Youth applications. The intent of the process is to be able to complete, from start to finish, without a single piece of paper changing hands. There is still only a 60 day window to which units can go into the system and complete their charter.

To get additional information please go to: www.scouting.org/resources/internet-rechartering/

Hard to believe it's 2022, already.

I want to thank all of our units for their hard work during recharter. It's always tough getting that done, and with a new process we still managed to do pretty well. Thank you, again.

I hope everyone had a great holiday season and is ready to hit the ground running this year. Klondike is fast approaching and then we are in Blue & Gold season.

Friends of Scouting

If you haven't set up an FOS presentation date with Josh, please do so ASAP. Friends of Scouting is an important program for the continuation of Scouting in our area.

District Recognition

I also want to remind you of our district recognition dinner planned for March 2nd (our Roundtable night). We will have more information on that coming soon. If you have any training awards, Scouter's Keys, or service awards to be presented that night, please have that information in to Josh by the end of January to give him time to get things ordered.

We hope to see you on January 5th at Roundtable!

DO YOU KNOW THIS

MASSANUTTEN SCOUTER?

Krystal Caricofe is the Scoutmaster for Troop 1038 in Bridgewater. She has been involved in Scouting since her son was in Cub Scouts and then moved on to Troop 38. When the BSA offered the opportunity for troops for girls and the Bridgewater COB was interested in starting one, she became the founding Scoutmaster for the troop and got her daughter involved. Her son earned his Eagle in 2021 and her daughter isn't too far behind him. She balances out her role as Scoutmaster with a demanding job as an RN for Sentara as well as the numerous other activities her children are involved in.

Unfortunately, we do not have a picture of Krystal to share with you as she usually prefers to hide from the lens of a camera, but she is a face you will often see around. Thanks, Krystal.

ROCKBRIDGE CHRISTMAS BASKETS

Thank you, Thank you!

Thank you for all your troops' hard work this morning (12/11/21). You allowed Rockbridge Christmas Baskets packing day to be a reality. It's hard for me to separate the scouts from Christmas Baskets in my mind. Everywhere I looked this morning I saw Boy Scouts and their leaders, modeling what working together to benefit a community looks like. Today I saw Troops recycling, box shuttling, doing clean up, and generally filling in wherever there was need. And I know that there were scouts headed for delivery this afternoon to ensure that families actually received their boxes this afternoon. We could not help so many community members without your efforts!

Please pass on my sincere thanks to your scouts. I hope that your ears were burning as I was told over and over again by volunteers how impressed they were at your groups' great work ethics and attitudes. Thank you also for your own time, both bringing your scouts today and for all the many things that you did beforehand to plan for that happening.

This year's processes worked differently than in past years, for a number of reasons born from COVID innovation. If you have thoughts about how things worked on your end and would like to give some feedback, let me know. I will pass that onto the board.

I'll be back in touch in September as we get ready for packing day 2022, but for now I'm planning to put my feet up!

Feeling super grateful to all of you-

Laura Joyner

The 1937 Contingent to the BSA National Jamboree

By Ray Ezell, Council Historian

In the summer of 1935, the first BSA National Jamboree, commemorating the 25th anniversary of the BSA's founding, was cancelled at nearly the last minute due to a polio outbreak. The Jamboree was rescheduled for 1937 and brought together over 25,000 Boy Scouts to the District of Columbia from June 30th-July 9th. The massive encampment, covering approximately 350-acres, received a great amount of local and national publicity. Boy Scouts from across the nation travelled to the District to participate, and the Stonewall Jackson Area Council (now known as the Virginia Headwaters Council) participated as well, joining with the other councils from across the Commonwealth.

The SJAC contingent, numbering 33 scouts, was part of the pre-Jamboree activities in Washington, D.C. and the scouts left for the Jamboree site on Saturday, June 26th. A special train on the Chesapeake & Ohio Railroad line made stops in Staunton, Covington, Charlottesville, and Orange to pick up these scouts on the way. The scouts were generally sent off with great fanfare from the hometown public. Celebrations were held and bands and quartets played martial music while scouts boarded the trains at Staunton and Charlottesville. The SJAC was a part of the Region III, Section S camp which was quartered near the Lincoln Memorial at the south end of the National Mall. A highlight of the Jamboree was a procession of President Franklin D. Roosevelt and other dignitaries down Constitution Avenue in front of approximately 26,000 scouts.

The SJAC contingent was led by Scoutmasters Laurence A. Brunton (SM) from Charlottesville, Joseph P. Ast, III from Staunton (Asst. SM) and Glen Robinson from Harrisonburg (Asst. SM). The scouts in the SJAC party consisted of: Henry Collier (SPL), George Hamm, Teddy Murphy, Lewis Dymond, Billy Hartman, Carlton Rutledge, W.D. Campbell, Douglas Ham, Nat Ewell, Steve Martin, Ben Borden, Neil Wade, and Gilbert Campbell (pictured above L-R). Scouts from Staunton were; Oliver Hoge, James Simmons, Frank Fishburne, Billy Wayland, and Herbert Turner. Lyell Knighton and Charles Johnson represented the Town of Orange. The names of the remaining scouts from SJAC, unfortunately, could not be found. Scouts were drawn from a total of twenty troops from eleven communities throughout the Council. Two SJAC scouts attended the Jamboree as a part of the Jamboree service troop and two others attended as a part of another contingent. Home movies of SJAC scouts were made during the event and were screened at the Council's annual meeting in January 1938; however these could not be located today.
