## IT ALL BEGAN IN A FOG

While walking the misty streets of London in 1909, American businessman William Boyce lost his way. A boy offered to guide him to his destination. Boyce wanted to pay him, but the boy explained that he was a Scout, and that Scouts do not accept money for doing good turns.

Eager to learn more, Mr. Boyce met with Robert Baden-Powell, founder of the Boy Scout movement in Great Britain. Boyce knew that boys back home would like the idea, so he brought Scouting to the United States. Papers incorporating the Boy Scouts of America were signed on February 8, 1910 - the date celebrated as the official birthday of the BSA.

Scout Sunday is usually celebrated the Sunday before February 8 and Scout Sabbath the Saturday after February 8.

## Hello at the campfire

That is what we are all saying on these single-digit nights. Great sleeping weather my Scoutmaster used to say. Well, yes, if you're not shivering in that 0-degree bag that is proving to be less than what was promised. These are the camping days that our Scouts will always remember. Adversity makes for lasting memories. Finally, a Klondike Derby with snow on the ground and Klondike temperatures to go with it. Great days.

With the coming thaw, there will be many more opportunities to take advantage of Scouting's outdoor program. More opportunities to recruit new youth into our program. Share the fun. Introduce a school friend to Scouting! It's time to re-build our Packs, Troops and Crews. It's time for us all to dedicate ourselves to spreading the good word about Scouting. Recruit, recruit, recruit.

All units need to be scheduling a Friends of Scouting presentation. We can't continue the Scouting program without your generous donations.

The ground hog will tell us about the weather for the next 6 weeks. Regardless of the pampered rodent's forecast, our Scouts will be preparing for weekend outdoor activities. Enjoy this wonderful winter weather, stay warm, get next to the campfire. Keep Scouting! I look forward to seeing you all around that campfire.

Yours in Scouting

## Greetings Scouts and Scouters,

I hope everyone is thawing out after our winter chills. The arctic temperatures have me dreaming about summer and our beloved Camp Shenandoah. The camping committee and our senior staff are busy setting up an incredible summer program for you. We need you to do your part and sign up so we can start ordering supplies and getting camp ready for you to come home.

As we get camp ready there is a lot of busy weekends between now and then. Coming off a great Klondike and heading into Conclave mode we have many troops and groups signed up to use camp, so check the calendar and come out for a weekend or even a day hike. Ranger Bill gets lonely so come out and visit.

In order to get camp ready we have many service weekends and projects that need to be accomplished. To aid in this process we need your families to help with the "Rise to the Challenge" Friends of Scouting campaign in 2022. Your financial donations are critical in getting these camp projects done and help in providing all of our services and programs to our families. Please make sure your FOS presentation is scheduled and please plan on attending and supporting our many special events. Remember, all of your financial support stay here in our Council.

Thank you to all of our volunteers who make our council so special, we cannot service our families without you.

Yours in service,

 A handwritten signature in black ink, appearing to read "Jim Bsttaglia".

## Pandemic-prompted changes to Scouts BSA advancement requirements expire **March 1**

Consider this our formal nomination for the 13th point of the Scout Law: A Scout is resilient.

Over the past year and a half of the pandemic, Scout units have modified their procedures to ensure that Scouts have a safe, meaningful and memorable journey along the Scouting trail. **(For the latest guidance, consult the BSA's COVID-19 FAQs.)**

In May 2020, the BSA did its part by introducing a set of requirement modifications to address the obstacles and speed bumps the pandemic has placed along a Scout's advancement path.

But as we near the start of the pandemic's third year, it is time for those adjustments to be retired.

**On March 1, 2022, all temporary changes to Scouts BSA advancement requirements will expire, and Scouts will return to the original, unmodified requirements.**

### What changes are rolling back?

On May 7, 2020, as the COVID case counts continued to rise, the BSA introduced a set of modifications to requirements for the Camping merit badge as well as the Tenderfoot, Second Class and First Class ranks.

#### Tenderfoot, Second Class and First Class

Here are the original modifications to the Tenderfoot, Second Class and First Class requirements, as posted in May 2020.

Many of the changes involved tweaked verbs. For example, instead of demonstrating how to display, raise, lower, and fold the U.S. flag (Tenderfoot requirement 7A), Scouts could tell how to do it.

Scouts also were permitted to complete some requirements virtually, allowing for activities like virtual museum visits and virtual patrol or troop campouts.

#### Swimming requirements deferred

Because many public swimming areas were closed during the pandemic, the BSA allowed a temporary deferment of two swimming-related requirements: Second Class requirement 5B and First Class requirement 6A.

Second Class requirement 5B: Demonstrate your ability to pass the BSA beginner test: Jump feet first into water over your head in depth, level off and swim 25 feet on the surface, stop, turn sharply, resume swimming, then return to your starting place.

First Class requirement 6A: Successfully complete the BSA swimmer test.

Learning to swim is a critical life skill, so the BSA did not remove these requirements altogether. Instead, the requirements could be deferred until the Scout's next rank (through Life, but not Eagle).

Also, we should note that the swim test is still required for Safe Swim Defense and Safety Afloat. Those key safety features are critical if units take part in aquatics.

### Requirement 9B of the Camping merit badge

Requirement 9B of the Camping merit badge challenges Scouts to add "Scout fun" to camping by enjoying activities like backpacking, biking or rappelling while on a camping trip. That requirement was made optional during this period.

**All the changes listed above will end on March 1, 2022.**

Please note: When the changes were first announced, the BSA shared that "these requirements will be reinstated with 30 days' notice to our Scouting family." Consider this blog post part of that notice.

### **What are the new (or, technically, old) requirements?**

Beginning March 1, 2022, Scouts and Scouters should follow the requirements as written on this page on [Scouting.org](https://www.scouting.org).

If you're a browser bookmarker, that's the page you'll want to file away. There you'll find the most up-to-date requirements for rank advancement and awards.

For merit badges, use this link to ensure you have the latest and greatest.

As you return to the original requirements, remember this sentence from the Guide to Advancement (section 10.2.2.0): "Members must meet current advancement requirements as written for merit badges, all ranks, and Eagle Palms — no more and no less — and they are to do exactly what is stated."

Are virtual Scouting activities, like merit badges, still OK? Absolutely!

Adult volunteers, including merit badge counselors, should continue to follow the Guide to Advancement and Youth Protection regulations.

### **As for virtual instruction, consider this guidance from Guide to Advancement (7.0.3.2):**

It is acceptable — and sometimes desirable — for merit badges to be taught in group settings. This often occurs at camp and merit badge midways, fairs, clinics, or similar events, and even online through webinars. These can be efficient methods, and interactive group discussions can support learning. Group instruction can also be attractive to "guest experts" assisting registered and approved counselors.

Slide shows, skits, demonstrations, panels, and various other techniques can also be employed, but as any teacher can attest, not everyone will learn all the material. Because of the importance of individual attention and personal learning in the merit badge program, group instruction should be focused on those scenarios where the benefits are compelling.

There must be attention to each individual's projects and fulfillment of all requirements. We must know that every Scout — actually and personally — completed them. If, for example, a requirement uses words like “show,” “demonstrate,” or “discuss,” then every Scout must do that. **It is unacceptable to award badges on the basis of sitting in classrooms watching demonstrations or remaining silent during discussions.**

That last line, which we've bolded for emphasis, means that 100-person online merit badge classes, where Scouts do nothing more than stare at a screen for a few hours, do not follow the Guide to Advancement's guidance.

## Registration Open for 2023 WORLD SCOUTING JAMBOREE!

Think back to the year 2019. UVA won the NCAA Men's Basketball National Championship, the Nationals won the Baseball World Series, and Virginia's Camille Schrier won the Miss America competition. What a fantastic year for our state and region! Another major accomplishment of 2019 was the 24th World Scout Jamboree which took place at the Summit Betchel Reserve in West Virginia. Scouts from our council participated in this Jamboree and went on a daytrip to see in action over 40,000 Scouts from 150 countries. The Virginia Headwaters Council connected further to this international gathering by hosting contingents from Brazil and Sweden at Camp Shenandoah prior to the Jamboree's opening. Our Scouts and leaders met counterparts from numerous countries and cultures and exciting opportunity that comes around only once every four years!

<https://blog.scoutingmagazine.org/2021/12/13/registration-now-open-for-2023-world-scout-jamboree-in-south-korea/>

The World Scout Jamboree happens every four years, and youth applications are now being accepted for the next Jamboree in Saemangeum, South Korea from August 1-12, 2023! Just over 500 Scouts from the United States will participate. This is a fantastic opportunity that only comes around once during a Scout's time in Scouts BSA. Eligible Scouts must be at least 14 years old by the first day of the Jamboree and have not yet turned 18 by the conclusion.

Scouts prior to the official start of the Jamboree will

visit historical sites, hike in national parks, experience Korean food, and meet with local Scouts. A highly informative article at Bryan on Scouting shared, "On some days, units will participate in Jamboree programs together. On others, Scouts will be free to explore the Jamboree on their own, visiting areas like the Global Development Village, Faiths and Beliefs, Better World Tent, and displays put on by each of the 170-plus National Scout Organizations participating in the Jamboree." Make a point to read the Bryan on Scouting article and visit the official [2023 World Scout Jamboree USA Contingent](https://www.scouting.org/jamboree-usa-contingent) website to learn more and apply to participate. Approximately 50 percent of the spots have already been filled, so please don't delay sharing this opportunity with members of your troop. In addition to these resources, those who would like to learn more are welcome to contact [Daman Irby at irby@virginia.edu](mailto:irby@virginia.edu).

## Firm Bound In Brotherhood

### A message from Shenandoah Lodge 258, Order of the Arrow...

Shenandoah Lodge is in the middle of Camp Promotion and Unit Election season. Scoutmasters and Crew Advisors, if you have not already responded to the email about your unit's Unit Election, please do so as soon as possible, as CPUEs will only be available until April.

Shenandoah's Spring Fellowship is coming up March 25-27, with registration set to open soon on the Lodge's website. We will be primarily focused on Conclave prep, so if you are planning to attend Conclave, we would greatly appreciate you coming to Spring Fellowship as well.

Conclave will be April 29 - May 1, with Shenandoah Lodge hosting at Camp Shenandoah. We would ask that any and all OA members participate in Conclave. Not only do we need all hands on deck for hosting the event and participating as a delegate, Conclave is one of the best experiences in the Order, and to have it at Camp Shenandoah is an experience like no other.

Registration for these two events can be found online at [shenandoahlodge.org/calendar](https://shenandoahlodge.org/calendar).

**National Youth Leadership Training (NYLT)****July 31—August 6, 2022****Camp Shenandoah—Registration is Open**

NYLT is an exciting, action-packed program designed for councils to provide youth members with leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others.

For many years, junior leader training (JLT) was an important part of the leadership training continuum of BSA local councils throughout America. In 2003 and 2004, a task force of leadership experts and hundreds of Scouts in pilot courses across the nation reviewed and tested every aspect of the new NYLT syllabus, which incorporates the latest leadership ideas and presents fresh, vital and meaningful training for today's Scouts.

The NYLT course centers around the concepts of what a leader must BE, what a leader must KNOW, and what a leader must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster.

Built on the legacy of past JLT successes, the new NYLT integrates the best of modern leadership theory with the traditional strengths of the Scouting experience.

Through activities, presentations, challenges, discussions, and audio-visual

support, NYLT participants will be engaged in a unified approach to leadership that will give them the skill and confidence to lead well. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.

**PER THE VAHC BY-LAWS YOUR YOUTH PROTECTION MUST BE RENEWED EVERY YEAR.**

**Internet Recharter 2.0**

**Every year units renew their charter agreement with their Chartering Organization and the Boy Scouts of America. Recently, the system has been updated to increase speed and simplicity for completion. This new system enables leaders to safely load Youth Protection Certificates, CBC Disclosure Authorizations, Adult and Youth applications. The intent of the process is to be able to complete, from start to finish, without a single piece of paper changing hands. There is still only a 60 day window to which units can go into the system and complete their charter.**

## FEBRUARY IS ALWAYS A BUSY ONE FOR SCOUTING?

With Scouting's birthday comes the timing for Blue & Gold banquets and Scout Sunday. It's also the time to make sure you have scheduled your Friends of Scouting presentation with our District Director, Josh Calderon.

FOS is a highly important part of continuing Scouting in our area and we need all units to participate. So if you haven't scheduled a time with Josh, please make sure to do so ASAP.

We'd also like to see 100% participation in the lodge's camp promotion/unit election program. Troop leaders, please schedule a time for the lodge to visit.

We will be holding our District Recognition Dinner on March 2, our regular Roundtable night and place. More information will be sent out once we have firmed up the details and we will send out the registration link.

We are looking for more service opportunities for our units this year. We are planning to take part in the Blacks Run Clean-Up Day on April 9th. We will have a sign-up for that event and will participate as the Massanutten District. So please reach out if you or your unit are interested in participating.

We have a lot more exciting things planned for the coming months, so make sure to come out to Roundtable to hear all of the details that we can't fit in these newsletters.

## DO YOU KNOW THESE MASSANUTTEN SCOUTERS?

**Brad and Paula Neher** work hard to keep Pack 38 at Bridgewater Church of the Brethren going. They have one Eagle Scout son who is away at college and an aspiring Eagle Scout in Troop 1038. They have both put in a ton of work to keep the pack active throughout the pandemic, all while Paula works as a nurse educator at Sentara RMH and Brad provides safety/emergency training through his business. Knowing that troops need healthy packs to thrive, they stepped up and have done great things to grow the pack as the Cubmaster and Committee Chair for the unit.
